

SI CANTERBURY PROGRAMME ACTION

AGM REPORT APRIL 2017-MARCH 2018

- **Meru Women's Garden Project** (led by Carol Townsend) We took part in the Open Garden Event at Canterbury Cathedral in May and this raised £4,500. We helped to man the stand at the SIGBI conference in Cardiff. 5 club members are going on the Study Trip to Meru in April 2018
- **Domestic Abuse** (led by) Support for the weekly One Stop Café continues.
In August 2017 we started to help on the reception on a rota basis at the One Stop Shop at the request of the Rising Sun.
On 25 November the Gulbenkian held a film festival for us followed by a Q&A session. This was not successful as so few people attended. They also showed a short film before the main performance for all the 16 Days of Activism and collected money for us to support the Women's Refuge. Over the entire 16 Days it is hoped that we were raising awareness. Our work at the Café was nominated for an award and was applauded at the Cardiff Conference by Nisha Gosh, APD Conflict & Violence Resolution. The award went to a very worthwhile project in Nigeria on gender equality.
Christmas Gifts were donated by Crabtree & Evelyn and delivered to the Refuge.
Members attended the Rising Sun AGM and the Domestic Abuse Forum.
Lyn has organised monthly coffee mornings at the Refuge at their request.
- **Canterbury Foodbank** (led by Maureen Keppler) Financial donations are continuing. Members helped with the collections at Canterbury West Station at Christmas and sorting at the warehouse.
- **Encouraging Primary Literacy** (led by Carol Townsend) Primary schools were invited to take part in the Jacque Emery Writing Competition for the Region. Those received by our club were judged and the best put forward to the Region. We attempted a club competition for the schools in our area but there was no interest.
- **Reducing Women's Imprisonment** (led by Nancy Burroughs)
- **Lobbying** (led by) Millie sends us SIGBI lobbying opportunities and Tricia is keeping a record and recording on the SIGBI database.
- **Save the Children** (led by Carol Reed) We cemented our formal partnership with a yoga session and lunch in August and helping at the coffee morning in December. Several members attended the Christmas Carols Lunch.
- **Modern Day Slavery/Trafficking** (led by Jane Webb) We continue to make collections for the Medaille Trust's safe house. We held a Public Awareness event in Canterbury High Street on Anti-Slavery Day 18 October 2017 and work is going on to create a much bigger event in 2018 with guest speakers. We were invited to join the Canterbury Link Group in October.

- **Amnesty International** (lead to be appointed) We continue to support their monthly letter writing campaign. Some members attended an Amnestea party. Members attended the United Nations Service for World Peace in the Cathedral in October.
- **Target Ovarian Cancer** (led by Susan Booth) Yvonne acted as a steward at the sponsored walk in London in October and Vanessa did the walk. £600 raised at IWD Dinner in March 2018.
- **Reducing Older People's Isolation** (lead to be appointed) Val Prosser from "Contact the Elderly" came to talk to us and we offered to help when the Canterbury branch is set up by hosting a launch party.
- Additionally the club raised funds for Macmillan with a tea party at Yvonne's home in September raising £75.
- Programme Focus forms are the mechanism by which our Programme Action service is reported to SIGBI and becomes the evidence for SI's continuing consultative status at the UN. Our PF forms are the responsibility of each PA team. 27 forms have been completed this year
