PRESIDENT’S MESSAGE

Ladies,

What a great pleasure it is to speak to you from our own website. We have worked hard to get this site up and running and I hope that we will keep the network alive by our sharing and educating, empowering and enabling our sisters throughout the world, as we “go forward together”.

There are so many events taking place throughout the world where we can by our experiences help to address the specific needs of women and girls, particularly in the less developed countries.

I hope that you are working feverishly on your Human Trafficking projects, the theme of my term in office, as we continue to raise awareness and show solidarity with those men and women and children who are victims of this global crime.

Our conference chair Susan Sandiford is working with the elected committee to put forward an exciting programmed for conference in Tobago 2013. An exciting programme awaits you, and we look forward eagerly to welcome you from August 23rd to the 25th.

Further details of the programme will be posted on the website within the coming weeks.

Let us continue forging ahead to make our network stronger and more effective, and I look forward to seeing some of you in Belfast in October.

God bless us all

Agnes
