Data

I suppose we have to celebrate even small victories and we can be joyous that we now have three members more than we had in June 2025.

Director of Membership and Development

Sandy Taylor took up the role around April 2025. Sandy has held two meetings for Club Membership Officers, but none for Region Officers. She is in the process of a seven step formula, but has stalled.

Development

The Friendship link, first with South Lancashire, and now including North West England and Isle of Man takes place quarterly, usually following Region meetings. We did have a 3 way trip at RHS Bridgewater on 28 June 2025 which was thoroughly enjoyable. It is our intention, as a group, to organise more outings. We meet again in early February after which we should be able to confirm where the next trip will be. We will continue to share News Letters and any events that occur.

Recruitment and Retention

If any clubs have a great idea or success in these areas, please share it with the rest of us.

Soroptimist Leaflets

Please make sure you always have a Soroptimist leaflet in your bags. You never know when you will need one!

I recently had an experience that I managed to recruit a new member for Freetown, Sierra Leone. So you never know when an opportunity may arise.
