Data

Membership stats show that between 30 June 2025 and 1 May 2026 there has been a net loss of 10 members and a net gain of 6 members. The

stats show membership up to 1 May, but we have to remember that many clubs will not have made changes to the Hub and have not yet paid subs to SIGBI. The actual numbers may be very different to those recorded above.

Director of Membership and Development

I note that SIGBI is advertising for a new Director of Membership. I can only assume that Sandy Taylor has resigned her position. Sandy Taylor took up the role around April 2025 and has not held any meetings for Region Membership and Development Officers – hence I have nothing to pass on to members.

Development

The Friendship link with South Lancashire, North West England and Isle of Man and CNWW met and decided to organise another three way outing: you will have heard that we are going on a River Dee boat trip on 27 June with afternoon tea. Please register your interest with Louise Parry.

Recruitment and Retention

If any clubs have a great idea or success in these areas, please share it with the rest of us.

Soroptimist Leaflets

Please make sure you always have a Soroptimist leaflet in your bags. You never know when you will need one!
