

President Elect Report September 2026

It's nearly November and time for our Change of Insignia. This year seems to have flown by!

Firstly I must thank the team who have helped me shape my thoughts and ideas for my year, namely, Kath Lewis, Pam Cheesley-Hollingsworth and Wendy Thompson. Thank you for your sound advice!

I hope the programme I have put together with their help will be of interest to members. I will be introducing my programme more fully in November, but it will be based, loosely, on the 3 E's. I know that Programme Action remains the heart of the clubs, and I hope to create spaces for members to present, share and discuss projects and celebrate achievements

As Regional President, I would appreciate the opportunity to meet many more of you and I would like to visit as many clubs as possible and get to meet you in your 'home' surroundings.

Feedback is important too, so please contact if you have ideas for any future meetings, the agenda is always flexible!

I look forward to us working together.
