Durham Soroptomists

Dear Durham Sorotomists

I would like to personally thank you for the donation of bedding, toiletries and other items which was collected from our Durham Team from the Funeral Pride home. Your generous support allows us to be able to help individuals and families through a very difficult time in their lives. I have included a photograph of the items collected.

For over 40 years Harbour has worked to achieve positive outcomes for all those affected by domestic abuse. We work across Tees Valley, County Durham, Darlington, Northumberland and North Tyneside, supporting around 4000 individuals a year.

Domestic abuse recognises no boundaries and people can be affected regardless of their age, income, ethnic origin, gender and sexual orientation. We believe that everyone has the right to live free from abuse and violence and will continue to support individuals and their families to recover from these experiences.

Your donation will help us to provide extra help to the individuals, families and children who we work with. You can keep in touch with Harbour through our website: www.myharbour.org.uk and you can find us on Facebook and Twitter. Thank you again for your donation and we look forward to your continuing support.

Yours sincerely
