SOROPTIMISM

A global voice for women

We are committed to a world where women achieve their individual potential, realise aspirations and have an equal voice in creating strong and peaceful communities worldwide.

What are we doing globally and nationally?

- Campaigning against the trafficking of women and girls through the Purple Teardrop campaign
- Raising the awareness of the effect alcohol on women and girls
- Increasing access to skilled birth attendants in Papua New Guinea and The Gambia
- Supporting the Violence Against Women Act
- Helping women survivors of war and natural disasters.

What are we doing locally?

- Raising awareness of environmental issues including recycling and promoting local produce
- Promoting women in business
- Working in partnership with local secondary schools
- Raising awareness of health issues, especially those affecting women
- Supporting the Gateway club and Fishguard Festival
- Supporting local organisations and charities.
