

Service Alterations Lanarkshire, Glasgow to Edinburgh (via Bathgate) and Dunbartonshire

Infrastructure improvements are taking place between Rutherglen and Caldercruix/Yoker on:

Saturday 7 & Sunday 8 November

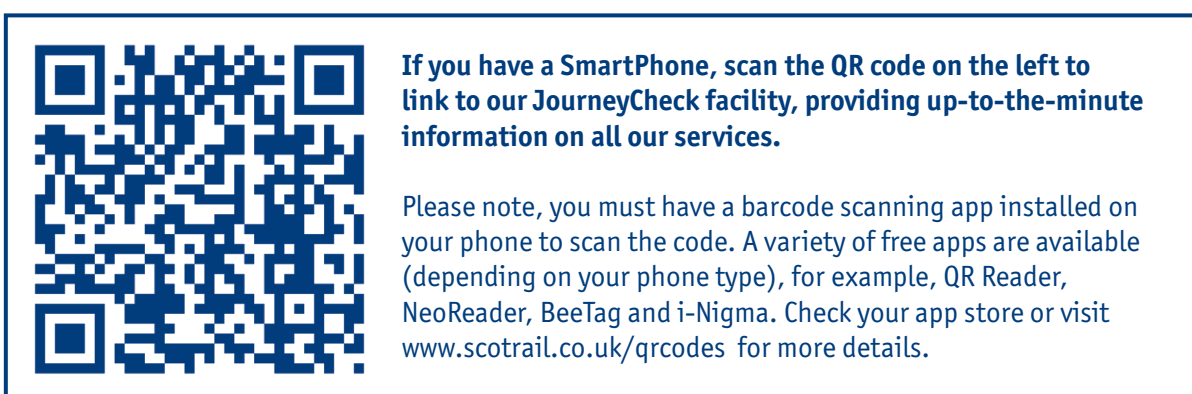

If you travel to/from any of the stations marked in red above, buses will replace trains for all or part of your journey.

To find out how this will affect your journey, please visit www.scotrail.co.uk/service-alterations, download our app or speak to a member of staff at one of our staffed stations.

*Glasgow Queen Street/Glasgow Central high level is unaffected.

Revised train services will be in operation and journey times will be significantly increased. Replacement buses may arrive/depart earlier or later than advertised train times.

If you have a SmartPhone, scan the QR code on the left to link to our JourneyCheck facility, providing up-to-the-minute information on all our services.

Please note, you must have a barcode scanning app installed on your phone to scan the code. A variety of free apps are available (depending on your phone type), for example, QR Reader, NeoReader, BeeTag and i-Nigma. Check your app store or visit www.scotrail.co.uk/qrcodes for more details.
