

Soroptimist International Of Harrogate & District

'The Meru Garden for Life'

Our garden is designed to raise awareness of the Meru Women's Garden Project by creating a small patch of Meru, Kenya in Yorkshire.

Visit our garden to discover how these women, who live in a very poor and malnourished area of Kenya, are learning to help themselves by developing the 'gardens' around their houses to feed themselves better and have additional vegetables and fruit to sell to provide income.

This is a three year joint project between Soroptimist International of Great Britain and Ireland and Child.org
sigbi.org/harrogate meruwomen.org

**To discover more about this exciting project
you will find us in the Community Spirit Garden**

Harrogate Autumn Flower Show
The Great Yorkshire Showground
