## Young Woman and Woman in the Community Award 2024

Soroptimist International of Harrogate & District is part of a worldwide organisation of Clubs whose objectives are to improve the lives of women and girls locally and globally. The Club, founded in 1933, has a long history of supporting women and girls. Find out more at our website [www.sigbi.org/harrogate](http://www.sigbi.org/harrogate)

This includes recognising women and girls who have made a difference to the lives of others. **Please help us do this by making us aware of what you do or the person you wish to nominate does.**

Nominations are welcomed for women and girls, living locally, who have contributed to the Harrogate & District and Wetherby communities by taking action/raising awareness, by working independently or with others to bring about an improvement to the lives of people within those communities.
