

## **BREAKING THE BIAS**

### **Beau Elliott Funeral Director**

Beau has worked for Fakenham & District Funeral Services for 10 years, qualifying in 2021. Beau says “My job comes with a huge amount of satisfaction knowing that I

am able to help people during some of the most difficult times of their life.

Over the past 10 years I have noticed within the industry, there has been a major shift from what was a more male dominant line of work to it now being a near even mix with women.”
