

BREAKING THE BIAS

Emma Duggan
Funeral Director

Emma founded Fakenham & District Funeral Services when she was just 18 and was the second youngest woman ever to qualify as a Funeral Director. Nowadays many women work in the funeral industry.

Emma says “I always wanted to be in a job where I could be of help to others and I’ve always needed to be needed.

I have been lucky enough to be born in a time where being a woman has been an advantage rather than a hindrance in my work.”
