#### **Firefighter**

Josephine Reynolds, the UK's first full-time female fire fighter was voted one of the EDP Norfolk's 100 most inspiring women in 2019. Her book 'Firewoman' tells the story of how in 1982, as a young woman, she applied to her local Fire and Rescue Service and unwittingly became a media star as she faced constant pressure to prove herself in a culture that insisted it could only be a man's job.
