Who we are

We are like-minded women working globally to make a difference, encompassing the 3Es: educate, empower, enable. We aim to educate women and girls which will empower and enable them in their lives and also the lives of their families.

What we do

Soroptimists undertake service projects in their local communities. Our project work is the linchpin of our organisation. Through this work we support local, national and international projects and charities. Some of our current activities are to:

provide long term financial support for four girls in Nepal and enable them to continue their education;

produce shawls for women with childbirth injuries and baby clothes/shawls at the Addis Ababa Fistula Hospital in Ethiopia;

campaign against the practice of Female Genital Mutilation and provide support for the work being carried out in giving alternative rites of passage for young girls to enter womanhood;

campaign to end the trafficking of women and children, and violence against women.

We recognise the following International Days by raising awareness and marking the days by social and fundraising events.

International Day of Peace
International Women's Day
World Water Day
World Food Day
International Day for the Elimination of Violence against Women

Locally, our activities include

raising awareness of the November 25th White Ribbon Campaign with public engagement at St Nicholas Arcades in Lancaster on the nearest Saturday to that date;

providing storybags for local primary schools;

collecting food for the food bank at The Olive Branch in Lancaster;

writing to MPs about matters of concern to members;

supporting the work of the Lancaster Women's Refuge;

providing an annual prize for a pupil at a local high school;

working with young people at a local school, a Soroptimist School Club was chartered in 2024.

President Sandra Towers (07713 883632)

Secretary Jann Landles (07979 180145)

Whilst we are working on projects, we also enjoy

an active social life with regular daytime and evening social events;

a monthly programme of varied and interesting speakers;

celebrating annually our Charter which was granted in 1942;

friendly relations and working with other Soroptimist Clubs in our Region (SI North West England and The Isle of Man).
