

Lorraine began her business over 30 years ago and is a regular exhibitor and supporter at our SIGBI conferences with her beautiful pearl jewellery collection. Necklaces, earrings, bracelets, brooches, rings, pendants and much more there is something for everyone and her stand is ALWAYS busy.

Pearls are timeless, elegant and always appropriate, they are great for Birthday and Christmas gifts or treating yourself. I am a regular customer and have always been delighted with my purchases. I am looking forward to viewing her new range of pearls on line at the exhibition and treating myself to something beautiful.

Lorraine is also offering a 20% discount for exhibition on line sales. Please use the code supplied to attendees of the conference to access your discount.
