BUCKINGHAM PALACE

11th September, 2023.

Dear Ms Dawson,

The King has asked me to thank you for your kind letter of loyal greetings sent on behalf of the Members of Soroptimist International Great Britain and Ireland on the occasion of your Eighty-Ninth Annual Federation Conference which is being held on 3rd and 4th November, 2023 at Friends House.

His Majesty was interested to learn that the theme of this year's conference is 'Climate for Change', and that the event will focus on sustainability, violence against women and microfinancing.

The King appreciated your thoughtfulness in writing as you did. In return, His Majesty has asked me to send his warmest good wishes to all those who will be present for a most memorable and successful gathering.

Yours sincerely,
Thomas Claridge
