If Clubs are unable to meet during this time, we would ask that Club Secretaries (where possible) email this information to individual members to ensure the information is shared as widely as possible.

Similarly, where an application requires the approval of a Region, National Association or Country, a telephone ballot with one of the Club Representatives (from each Club) and the Region/NA/Country Executive Officers, all of whom have one vote is acceptable, provided the outcome is minuted and verified in writing by the Region, NA or Country.

Do you, or someone you know, fulfil the eligibility requirements for any of the above posts? Do you want to make a positive contribution to the development of the organisation? If so please contact SIGBI HQ or the current post holder for further information.

If you have any queries, please do not hesitate to contact me.

With kind regards,

Gina Coad
