

Welcome letter by SIGBI President 2021-2022, Cathy Cottridge

Dear Member

I am very pleased to welcome you to Soroptimist International Great Britain and Ireland (SIGBI) Ltd. I hope that you will enjoy being a member of this wonderful organisation as much as I do.

By becoming a member of SIGBI you are joining a fantastic organisation and immediately have 6,000 members as friends in 18 countries. Together we are working to ensure that other women and girls reach their potential and are all that they can be.

SIGBI is one of five Federations and is part of a global volunteer organisation known as Soroptimist International. There are over 70,000 members who can act as a mentor to you across 115 countries.

Our project work, known as Programme Action, is linked very closely to the United Nations 17 Sustainable Development Goals (SDGs) <https://sustainabledevelopment.un.org/>. Together, our goal is to improve the lives of women and girls through education, empowerment and enabling opportunities. We need to continually demonstrate how **We Stand up for Women**.

Through the work that our members have done to raise awareness of the important issues facing women and girls today, such as domestic violence, trafficking, honour-based violence, imprisonment and female genital mutilation we have been granted Special Consultative Status at the United Nations. We are rightly very proud of this and it sets us apart from other women's organisations.

The project work that you will get involved in as a member will contribute to us maintaining our UN Status. It will provide you with an opportunity to make a real difference to our society through a variety of interesting activities, many of which I hope you will become passionate about. Whether you sign a petition, lobby locally, nationally or internationally, raise funds or volunteer in a local project you will know that you are making a difference to the lives of others.

By being a Soroptimist, you will increase your breadth of knowledge about the issues facing women and girls and be better placed to do something about it!

I do hope that you find being a Soroptimist a fulfilling, interesting and enjoyable experience as I have done. I have met women that I would not have otherwise met and been to places that I would never have gone to.

Please speak to any member who will be happy to help if you need support or contact me at president@sigbi.org.

Cathy Cottridge
Federation President 2021-22

What it means to be a club member

Congratulations for becoming part of this worldwide team of women!! By joining us, you have many different ways of participating in the work of Soroptimists.

In your club:

- You can attend the scheduled meetings
- You can join small working parties that link to your own interests
- You can meet membership and executive officers for an informal chat if there is something in particular you would like to know more about
- You can bring friends and family to events, not just the social ones
- You can host a meeting if that suits your schedule better than going out to one

In the Region/National Association/Network:

You become part of your Region/National Association/Network which is a cluster of clubs that are geographically close. There are usually quarterly meetings.

- You can attend the Region meetings
- You can build friendship links with women from other clubs
- You can attend the charter and social events of other clubs – and take family and friends
- You can ask for an item to be put on the region agenda in consultation with your own club
- You can be the club representative at these meetings to bring back important information

In the Federation:

- You can attend the annual conference, study days and development days
- You can attend as a silent observer to Federation meetings
- You can attend as silent observer to the UK Programme Action Committee
- You can attend the Commission for the Status of Women in New York
- You can attend any club meeting globally as a visitor with prior arrangement

As you become part of this organisation, you may want to take on a leadership role on the executive of your own club. This is where your club will support you to further understand roles and structures and you would do this before applications to Region and then Federation Office.

So, you have joined a global organisation and the opportunities are wide ranging and certainly not all are listed here. We want you to achieve your ambitions and we commit to supporting you.
