

Patricia Dent In Memoriam

Patricia Dent joined SI Leamington & Warwick in 1988.

Her category was freelance journalist. She was a prominent Soroptimist, becoming club President twice, first in 2000 and then in 2009.

Patricia was Regional President in 1998, and organised a weekend away in Paris during her year. We were very well entertained by the Paris club and a good time was had by all.

She was very active in the region taking on the roles of both Development Officer and Press & Publicity Officer. Her photograph appeared on the front cover of the Soroptimist magazine.

Leamington & Warwick was her club and they ran the Swimathon for seventeen years raising £173,420 for charity. Patricia was also instrumental in getting the Solihull club up and running again.

She retired from the Soroptimists in 2019 and went to live near her only son Adam in Reading.
