

Soroptimist International Solihull & District presents

# Climate Change and Our Gardens!

A talk by Lucy Hartley  
a Warwickshire based Garden Designer

Thursday 9<sup>th</sup> November at 7.00pm  
Crowne Plaza Hotel, Homer Road, Solihull

We all need to do what we can to both mitigate and prepare for, climate change. Lucy will look at ways we can use our gardens to guard and support local biodiversity and advice on how to cope with the changes that are coming.

Come along and join us at a Soroptimists evening.

All visitors are welcome. £7.50 including tea and coffee.

Number are limited so please contact Jan Hemlin at [janhemlin@btinternet.com](mailto:janhemlin@btinternet.com) to reserve your place!

Pay on the door, cash, cheque (payable to SI Solihull) or BACS (sort code 30-97-57, acct no 00802221)

Lucy Hartley BSc (Hons), PGCE, FdSc began her professional life as a secondary school science teacher and taught for seven years before starting a family. On returning to work Lucy chose to re-train as a garden designer. "Being creative and 'green' is something that has always been with me." An artistic eye, horticultural and design knowledge enables Lucy to find aesthetic solutions to all manner of garden problems.

Join us and make a difference!
