

Soroptimists in Milton Keynes

Soroptimist International is a global volunteer movement working to transform the lives of women and girls.

Our Milton Keynes group is here to take a proactive, practical stance on issues that highlight the particular disadvantages faced by women and girls, locally and internationally.

With consultative status at the United Nations, Soroptimists are the voices of local women being heard around the world.

Our campaign for this year is to address issues around domestic violence. We do this by helping to:

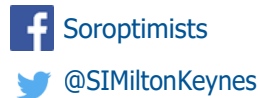

- Educate young people to identify when relationships are becoming abusive
- Empower women looking to escape or change abusive homes through supporting the preventative, practical advice provided by MK ACT
- Enable women to put their lives on a new path by fundraising for new hostel accommodation at the YMCA
- Distributing dignity packs to over 2,000 local women through the Red Cross each year
- Fund research for clients of Works for Us

Join and support us in making Milton Keynes a life-enhancing community for women and girls
