Formed in the Centennial colour of purple, the stone is set in a silver finish metal, with rows of crystals on either side. Our Soroptimist logo sits proudly in the middle of the piece, inscribed with our commemorative dates '1921-2021' and '100 years'

The brooch is 37mm in diameter with a thickness of 2mm. It is an extremely versatile piece that may be worn as a brooch or pendant, bringing happy memories of Soroptimist friends and events all over the world.
