

Soroptimist International Celebrating 100 Years In 2021

BRIGHT PAST - BRILLIANT FUTURE

An opportunity to invest in two unique pieces of history - Commemorative envelopes celebrating 100 years since the founding of the very first Soroptimist club in Oakland, California in 1921. Both envelopes and stamps have been specially designed for Soroptimist International and are limited editions.

Soroptimists work to bring change and opportunity to the lives of women and girls worldwide. Through its global network of Federations and dedicated volunteer membership of over 75,000, Soroptimists are driven by their mission of transforming lives through education, empowerment and by enabling opportunities.

Envelope 1 - 'The World' confirms the presence of Soroptimists worldwide now and depicts **The Road to Equality** campaign for gender equality. The reverse details a historical timeline of the continuing development of the organisation.

Envelope 2 - 'The Hotel' commemorates the first Soroptimist members and their meeting place in California. The reverse records some of the worldwide projects completed in recent years.

There are inserts in both envelopes explaining the history of the Soroptimists and their involvement in worldwide events such as World War II and alliances with the United Nations and UNICEF.

The Stamps can be ordered in sheets of 10 (mini sheet) or sheets of 20 (full sheet)
Stamp 1 - 'Road to Equality' Stamp 2 - 'The Hotel' LIMITED QUANTITIES AVAILABLE
