Zaytoun (meaning olive – both tree and fruit) is a non-profit organisation established to support Palestinian farming communities by helping increase the international market for their olive oil products and also by supporting the farmers to improve the quality of their oil through training and equipment provision. Up to 100,000 families depend upon the olive harvest for their livelihoods. Zaytoun is supported by the UK charity War on Want amongst others. They were awarded Fairtrade certification for their olive oil in 2009 (the first to do so)
