What do we do?

- Access to education
- Resources for educators
- Education Dialogue

Bikes are delivered in The Gambia to help students and teachers get to school. Some journeys to school can take more than an hour without a bike.

The Learning Resource Centre in The Gambia is now up and running providing facilities and access to a global support structure.

Thank you for your donations so far supporting access to better teaching and learning resources to support the local education system. www.justgiving.com/tsf

Education Dialogue

We publish Engage twice a year and recently we have been hosting film screenings. They have been really well received so far and it gives us a vital income stream as well as keeping the conversation about the importance of education alive....

SINNOTT
FOUNDATION

What can you do to support us?

- You can share our work with any new partners who might be interested, we believe working together is winning together.
- You can fundraise for us in your community – we have a resource pack of ideas on our website.
- The most important thing you can do is to become an individual Friend of the Foundation for as little as £3 per month. The materials and training for making 5 reusable period pads which last a girl up to 3 years is £5 so if you donate £10 a month that is supporting 24 girls in a year. Once a girl has learned this skill she can manage her periods independently and with dignity and pride.
- <https://irp-cdn.multiscreensite.com/87ddca53/files/uploaded/SSF%20Bank%20standing%20order%20form-converted.pdf>
- You can purchase a charity gift providing access to education.
- You can follow us on social media, like and comment to increase our engagement levels. Subscribe to our YouTube Channel and watch our videos and read Engage magazine.
