

## News and Views from SI Stourbridge - July 2023

**Coronation supper** – As an early celebration of King Charles III coronation we gathered together in Linda Sanders beautiful garden for a fantastic, shared supper. There was live music, bubbles, amazing food and of course a raffle!

**Stourbridge in Bloom** – It's summer so it all hands to the watering can to make sure our raised bed and 7 troughs are looking their best for the Britain in Bloom judging!

We have a fantastic team who water and weed with gusto. Here is the poster we produced for the judging day showing us at work.

Sadly, the judging day was a bit damp!!!
